“ Even though I did not know Alex I am familiar with losing close loved ones in death. My children's father died at the age of 34. Because of the pain that has caused I like to share with others what has brought me comfort and hope. "If a man die, shall he live again?" asked the man Job long ago. Job 14:14, King James Version. Perhaps you, too, have wondered this. How would you feel if you knew you could have a reunion with your loved ones right here one earth under the best of conditions? Well, the Bible makes the promise: "Your dead ones will live.... They will rise up." And the Bible also says: "The righteous themselves will possess the earth, and they will reside forever upon it." Isaiah 26:19; Psalm 37:29 To have confidence in such promises we need to answer some basic questions: Why do people die? Where are the dead? And how can we be sure they can live again? I would love to share these Bible truths with you at no obligation should you contact me. Joyce
