“ Susan, Please know that my heart is with all of you. Ann was such a great lady. An incredible artist, to say the least. I loved watching her work when I was there for coffee or lunch. Sadly, we lost touch but I have wonderful memories of our friendship. God Bless.

“ She was my Mom... and she was a wonderful artist! I always was so proud of her work. I feel so fortunate that I was able to get back from MN and was able to spend the last few days of her life at her side. She had a peaceful passing and I will always love & miss her.

“ *Ann took on my husband at the age of 50 something as a student. He learned so much from her.*

“ *Ann was a great artist but, most important, a wonderful woman. She taught our daughter art lessons when she was in high school and worked so well with young people.*
