“ Just to let you know our thoughts are with you at this time. Guess we really got to know your mom better than dad, but no matter we sympathize with you at this time. Wish we could come to see all of you. Our prayers are for God's comfort as you go forward. Much Love Cliff and Ellen

“ My deepest sympathies goes out to all of Art's family..I can rember playing lots of pinochle with Art infact it was him, Great Grandma Katie and Great Grandpa John that taught me to play. Many a late night was spent playing cards. He had a great laugh and you could often hear him play the organ - he loved music. I will miss him

“ To his family and children, I am sorry for your loss. Art was a very kind, gentle man and very loyal. He spent many holidays with Rose Beehler and our family. He was so accepting of Jeff and I, always interested in what our children were doing and would attend their graduation and birthday celebrations. He always had a story to tell or something humorous to share. I appreciated his interest in computers when many at his age would rather not try and learn, he wanted to learn how they worked. You are missed Art.
