“ *Grandma is in a better place and reunited with Grandpa and while we are all sad for ourselves and our loss, I am so happy that she can now finally rest in peace.*

“ *I'm going to miss my grandma terribly but am so happy that I will see her again as I have no doubt she is with the Lord. My grandma was a simple, uncomplicated woman, with her greatest quality being the ability to love her kids, grandkids, greats and great-greats, unconditionally. See you soon, Grandma; I love you.*
