“Nathan, Cliff and your families. My mother Selma and I were very sad to hear of your Mother's passing. I remember the years when we lived across the street from you in Center. My mom considered Bernice her dearest friend and was deeply saddened to hear of her passing. She has talked a lot of their experiences over the years of their friendship and will never forget her. We regret not being able to come to the funeral home to pay our respects, but age and some physical issues prevented us from doing so. We are thinking of you and praying for Bernice.

“Cliff and family, I am sending my prayers to bring you comfort and peace during the passing of your Mother, Grandma, Aunt, and Friend. Her being 96 doesn't make it easier to say "Goodbye" but knowing she is in a better place hopefully will help ease the pains from your sadness and soon bring smiles to your faces for the many, many memories you have with her. May she rest in peace!
