“ *Dave & Family – You are very lucky to have had such a nice mother and grandmother to enjoy all of these years. I can recall that Bertha gave me her recipe to make sauerkraut in a jar. It worked very well and we have enjoyed it and passed it on for many years now. No need to be sad, more reason to be proud, this is a nice celebration for someone who has seen and been through so much! Hope you all have the same kind thoughts and memories of grandma Baumiller. “ *As a child growing up, Bertha and my Grandma Anstacia were together often and I tended to be hanging around as well. Today, I am sure Grandma is happy to have her friend in Heaven with her! May your wonderful memories of her help you through this time of grief.*

“ We're terribly sorry for your loss. She was a great lady and a heck of a cook. She had such a warm heart and you could talk to her anytime. We always think of her when we pass the farm on the way to Minot. She'll always be missed in our hearts and remain in our memories forever. Bless her sole. We'll keep you in our thoughts and prayers, too. Love.
