“ To Bertha's Family, Sorry for your loss. I used to live across the street to Bertha. She was a very kind person. My boys would mow her lawn and shove her driveway during the winter. She would get us pizza---candy--pop--ice cream and pay the boys for the time they spent over there. She will be missed dearly.

“ I delivered Bertha's mail for a couple of years and got to know her quite well. I took a break there often on my route. She was never short on words and had an excellent memory. She loved good food. She gave me a critique of "Meals on Wheels" everyday. They met her standards most of the time and she was quite thankful for them. She was very generous with her "goodies" and would always offer them to me. I miss her daily stop. I will be out of town on Monday and unable to attend.
