“ My memories of Bev are sitting at her kitchen table playing cards, many road trips to the bingo hall and going to garage sales. It was always and adventure to say the least. My favorite memory of her was the day i brought home her puppy Faye, she was so happy it brought tears to her eyes, the happiness i saw that day will be the one memory that i will cherish forever!!! My thoughts and prayers go out to her family and loved ones. I will miss her alot, she was a great friend.

“ *Bev was like a mom to me. She was my best friend. My kids called her auntie Bebbie. We made fudge together, played pool together, celebrated life, played bingo, and always had so many great times. I was so crushed that she had to go. I wanted to come to her funeral and say goodbye; but unfortunately I was unable to. I want to say to Ty that she spoke so proudly of you and she talked about you all the time. I'm so sorry for your loss. Your mom was a really great lady. I loved her and had so much respect for her. She'll be missed always.*

“ *My condolences to the family of Bev Stepp. I remeber sitting next to Bev in the 8th grade at Mandan Junior High. Such a pretty girl and so nice to me.I remeber her well, because I was abit sweet on her. While that was 35 years ago, it doesn't seen so long. She died far too young.*
