“ Aunt June. know that my thoughts and prayers are with you and your family at this time. Also I hope you know that we are wishing you well and that if you need anything at all, please just call. Thank you for being by my side at the time when I thought all was lost . You both were "angels" I told Bill one of the last times I saw and spoke with him that I loved to look and touch his hands. So who do you think he reminded me of. He would laugh and then tell stories. June, please take care and see you soon. Love you so much, Becky, Tim and Girls
