“ *Lori & Family, I am so sorry to hear about Brady. Even though I did not know him well each time we would see you Brady always had a smile on his face and would chat away. He reminded me of you when we were younger Lori. Lori, I know that we have lost touch through the years, but if you need to talk or need anything please call. Loosing a child is the hardest thing we will ever do. I am so sorry you have to go through this. Norma Geiger & Family*

“ *I wasn't super close to Brady I barely knew him so I'm not here to say how close we were. But I can say I was lucky enough to have him in chemistry throughout the second semester. He always had a smile on his face and was nice to everyone. I'm going to miss seeing his smiling face in class everyday. My heart breaks for all the family and friends of Brady and may you all find peace throughout this difficult time. My thoughts and prayers are with every one of you.*

Your family is in our family's prayers. We talked with our daughter Mikayla Grunseth last night who had Brady in several of her classes. She talked about what a nice, funny and caring young man he was. Peace be with you during the difficult days and weeks ahead.
