“ Papa was truly a great man. We would never leave papa without him saying, "See you later pal, or see you partner." Papa loved Jesus with his whole heart and he not only showed it to us, his family, but to all those he met. His greatest passion was his music which he passed down to all of us. I loved to hear Papa pray or for him to receive it because he was so open and passionate about it. In the Bible it says that you should have childlike faith. Which means that it's easier for a child to believe things without question or proof than it is for an adult. Truth is it will be so different without Papa but one day we will see him again and that gives a great peace. He loved Jesus and we love Jesus so this goodbye is not going to be forever. I love you Papa. See you later partner!!!

“ To your whole family, but especially Pam and your family because I knew you best, please accept my sincere sympathy in the loss of your father. I know he meant the whole world to you and you will miss him greatly. I had only met him a few times, but he was the warmest, friendliest man, just a great big teddy bear. “ Jack was a great guy. I sang in the church choir sitting next to Jack. He always had a story to tell. I remember him telling of his youthful days when he could dance and was light as a feather on his feet. I also sang with Jack in Elks Chorus. He especially enjoyed it when the Chorus would sing on its tour of churches every year around Easter time that would bring a choir to churches that didn't have a choir. I feel blessed to have known Jack.

“ My Dad totally fell in love with the Lord many years ago. He loved to pray and talk to God and did it often he and my Mom. My folks were devoted to each other and shared a deep love for God and family. What can I say, but that he will be missed. They moved by Larry and I in 2004 and we were neighbors and we really enjoyed it. We saw them almost everyday, that I will truly miss. I know that without the hope of Heaven I would be totally lost. Thank you Dad for sharing so much with me. I love you, Pam

“ G L O R Y. we are S A V E D H A P P Y to be F R double E V I C T O R Y from the bonds of SINGLORY, GLORY, HALLELUJAHTRA LA LA AMEN. This was one of the first songs the man I met and got to know as C.J., Jack, and "Foghorn" sang together that allowed me and others to see into the heart of. This man I was blessed to have as my Father-in-Law insurance, really, a brother in the Lord, Papa to my children, Dad to my bride Pammie and me, nosey neighbor and most important to me... friend Partner.Jack. yes, that's his name to many, was a gifted man. He could sing with the best and had a mind like a steel trap. I declare that C.J. could get more done by accident than most could get done by accident. I liked the fact that he enjoyed my burgers on the grill. My friend, I am really going to miss you. Enjoy the mansion. Will be looking forward to seeing you in G L O R Y!!

“ I first met Jack when I worked for Sears on main street in Bismarck. I was working in the hardware department and the Alstate booth was near our department. I looked forward to talking with Jack, he was always fun and greeted me with a big genuine smile. I will always remember the respect that Jack showed toward everyone. Polite, enthusiastic, genuinely interested in people, a lover of life, yes, Jack will be missed here. On the other side, however, God's choir just picked up a really great bass.....Till we meet again, Goodbye, friend.
