Christine was born on May 7, 1933, three miles northwest of Hazen, ND, the daughter of John and Christina Horning Bics. Her family moved south of Hazen and Christine attended Hazen Public School. She married Fred Bauer on August 12, 1956. They lived in Beulah, ND, until 1961, at which time they moved to Bismarck. Christine worked for Hoskins Meyer Greenhouse for a number of years. She loved working with flowers. Christine was a like a second mother to her many nieces and nephews. She and her husband, Fred, never had children of their own, but were a constant presence and positive influence in the lives of those nieces and nephews and many other youngsters they took under their care. We miss them and will love them forever. “ I have known both Christine and Fred since the early 70's. They were good clients, always fun to visit with, and had a good sense of humor. They were a very close couple, inseparable. Every visit Christine made to the salon she would talk about Fred. They are in our thoughts and prayers.

“ Christine will be greatly missed by the staff and all the other regulars of Mocha Mommas. She was at the mall at least 3 times a week with her best friend Ester. I've been able to get to know Christine over the last three years since owning Mocha Mommas and she has become very dear to my heart. She was like a grandma to me and cared about me very much. She knew my personal life very well and she was a great confidant. We will all miss getting Christine her 1/2 glass of coffee because a full glass was too much for her to drink, LOL. Love you Christine and you'll always be in my heart.
