“ *I want all of you to know how sorry I am to hear about your Mom. She was a very hard worker, raised a big family, and attending Mass was her priority. I enjoyed seeing her at Corpus Christi mass, every saturday. She always greeted me with that wonderful smile, and wanted to know if I was doing ok. My thoughts and Prayers are with all of you. “ Well, what to say... What a wonderful lady and supportive family. Clem was such a amazing person who had so much joy in life. Words can express how grateful she was for her daughter Vera. I can remember one day at the Care Center, Clem started crying but it was a joyful cry. She said she just cant beleive how much Vera loves her. She was so proud of youVera and all of her children for that matter. I mean, who leaves a nursing home to ride a four wheeler? What a wonderful life to celebrate. My thought are with you all in this sad time but remember all the happy times you had together. Take care.
