“ Dear Corajeane's family, We were saddened to learn of Corajeane's death, but were flooded with many warm memories her at Simle where we served together for several years. Jan and Dave became our friends, too, and I enjoyed having her granddaughters as students and later as a classmate @ BSC: Anatomy - or was it microbiology?. God bless you all as you grieve your loss, and may you be blessed with his peace and comfort in the days ahead.

“ *Corajeon is a wonderful woman. She is a very dear woman with a Heart of Gold! Her husband and she were my 'aunt and uncle' as I was growing up. I was so close to them, always welcomed by them. Ray and Corajeon were sweethearts - it was obvious that they loved each other! I loved to be around them. One of the highlights of my life will be riding their horses Pet and Penny. I cherish those days - our visits were the best. I would never leave their house without knowing I was welcome back anytime. Everyone was welcome. Corajeon and Ray raised two beautiful girls and their life became more complete when the family multiplied with weddings and the birth of grandchildren. Ray and Corajeon gave my Mom and Dad a horse and buggy ride on their 40th Anniversary. That meant more to us than anything. We missed Ray so much when his life came to a tragic end too many years ago. Corajeon always knew love - she lived it. She met a special friend, Howard. Corajeon always looked beautiful. As my oldest cousin, she will always be a pillar in my life. I love you, Corajeon. I love you, Jan and Judy. Always in Christ.*
