“ Jane, I will always remember the mischievous twinkle in Uncle Curt's eyes that always reflected his joy and sense of humor. I still remember being your flowergirl I still have the dress. I remember forgetting to drop the rose petals until halfway down the aisle someone from the front ? gestured to me to drop them I was really scared. I also got lost at that club downtown at the reception, someone found me crying in the stairwell. Doug wanted to say that he met Curt at A&B Pizza in 1971, two years before he met me, when he would order the Al's Special Pizza loaded with everything in the kitchen every Saturday night. He said, "Who would have thought that one day I would meet and marry Curt's niece."

“ I remember when we first moved to bismarck one of the first people we met were youjane and curt. You both were so great always there for me if I needed help with something like getting my old truck in high school a jump when it wouldnt start. Its hard to believe he's gone. I will miss all the times we stopped in the middle of the road just to say hi and chat for a few minutes I will miss always seeing him drive down the road just to check up on things to make sure things were ok everywhere. But most Ill miss that smile and that big wave in the pickup window. He was a great man a great neighbor and a great friend. yall are in our hearts and in our prayers and just know that he will never be forgotten but always remembered as the sweet man in the blue pickup that lived down the road. We love you all. Love, Chris and Kristina Graber-Biggs and Wayne and Kim Graber- Biggs From the house down the road on the top of the hill.

“ Jane, we will miss curt alot. He has been a great neighbor for all of my life. I remember the times that my folks would come over to your house and play pool for hours. We are going to miss the way he always waved when we passed him on the road. He always had a smile and a huge wave for anyone he passed. He will greatly be missed around here.
