“ *Troy and Deb and family. I am so very very sorry we lost Dalton before we had a chance to watch him become the wonderful young man he was becoming. He was a great kids, with a lot of talent and one of the greatest smiles I have ever seen. I was looking forward to seeing him wrestle, I missed football season. I missed our last coffee date too. God is holding him now and he is hanging with Gramma and Grampa and probably Al too. I know he is loving my two dogs and they are loving him. We will miss him and remember him as the awesome young man he was. My heart, my hugs and prayers go out to you and your family to find Peace.*

“ Dalton, you were truly an inspiration to us all. You always had that incredible sense of humor at the ready or an easy-going calming effect when it was needed. You were always there for your family and friends anytime they needed you. You were in my life for only a short time but each and every day felt like a small forever. You've also shared your Mom with me, and for that I thank you. I know this world is a better place for having had you in it and I know that you've made me a better person. I love you, Dalton, and consider you one of my own. Always. I know you've got the angels laughing already!

“Dalton was a good friend to all three of my youngest children. He was the first kid they met when we moved in next door to his mom. They spent many a day and night at both houses having water balloon fights, nerf gun wars, wrestling eachother, having sleep overs and just plain having fun! He was and always will be considered part of our family and will always be in our hearts! Our hearts go out to Daltons family!

“ Dalton was one of my boys, my sons best friend and an amazing kid. He was my Seahawks buddy and was always a pleasure to have around. He introduced us to his mom Deb and we became instant best friends, camping 3 times together over the summer. He knew he was always welcome at our home and would show up at any time just to sit and talk or just hang out. We'll miss his laughter that big infectious smile. We were so happy when he got back in school and met a wonderful girl and really seemed to be getting his life together. We'll miss you D-Man, rest easy.
