“ I am sad to hear of Bob's passing. He had a great sense of humor and loved to share stories of his travels to exotic places in the Caribbean, Hawaii, Mexico and many more warm climes where he could swim and enjoy the ambiance with his wife, Joan. Gus and I were patients of Bob's for many years. We considered him a friend. He will be missed. Mary Sorlie

“ So sorry to hear of Bob's passing. He became a fixture several days a week up at Touchmark. We all enjoyed his company and his smile as he came in the door as recently as this last Thursday. He will be truly missed by many. May he rest in peace. My condolences are with the Nordstrom family during this difficult time.
