Visitation will continue one hour prior to the service at the church. Eddie was born April 8, 1943, on the Braddock farm. He was raised near Braddock and attended Braddock schools, graduating in 1961. He entered USAF, trained at Lackland AFB, San Antonio, TX and attended supply training at Madison, WI. Eddie's favorite experience of being in the Airforce was his time spent in Okanawa, Japan. He received the Air Force Good Conduct Medal 12 Dec 61 – 11 Dec 64 and was honorably discharged on December 6, 1965. He returned to Braddock and continued farming with his brother Arnold on the Creek Dairy Farm. He married Jean McLean on May 30, 1979. The family moved to Bismarck in 1993 and Eddie went to work for Fargo Paint and Glass. He installed windows in many commercial buildings, including the University of Mary and other area schools. He retired in 2008. In 1998 they purchased land in rural Bismarck, where they established Wagon Wheel Ranch, and moved their home, which they built in Braddock, to Bismarck.

Eddie then started a snow removal and hay cutting business. In his spare time, he was inventing attachments for his Bobcat and built a hydraulic scaffold. In 1989, Eddie and his brother, Arnie, built an Eagle Nest home in northwest Mandan. Privileged to share his life is his wife, Jean; son, Jack; his grandchildren, Joshua John, Justine John, Erica McLean, Brittany McLean, Mark McLean and great grandson, Ayidan Buchcanan. “ Eddie Moch Family, I had the previledge of meeting Eddie where I have worked now for over 5 years. He was such a delightful, creative, and passionate customer, sharing some of his ideas he had for his inventions with the use of hydraulics, of course, complimenting his family, & just visiting with him each time he shopped our business, wanting him to return soon and visit so we could get a feel for what he was creating next. Eddie We Have Missed You for a few months now, but now know you have moved on to further your creations in Heaven.. Thank You for sharing your wisdom here & Wishing You the Best There Now You Can Truly Invent!

“Eddie Mock Family, We send out deepest sympathy, in this difficult time, may your strength in God, carry you through the days ahead. Eddie and I flew together in the T-33 one day at Maddison, Wi., years ago. I would like to share with you the words of John Gillespie Magie Jr. in *High Flight*. "I've topped the windswept heights with easy grace Where never lark or even eagle flew. And while with silent lifting mind I've trod, The high untresspassed sanctity of space. Put out my hand and touched the face of God." Eddie's mission is over and he has reached out and touched the face of God.

“Dear Friend & Neighbor Jean – There are no right words that can ease your grief right now. May the caring of others sustain you. Eddie shared his smiles and kindness freely and his courage is an example for all of us. Now the pain is gone and he and God know best the caring of his good wife for a good man. Know that my thoughts and prayers are with you and your family. Grateful for the friendship of you and Eddie, Vonny & Al.

“Jean and Jack, Frank and I were unaware of Eddie's illness. The obit reveals a loving home in which he lived. He was a very talented man at home and by trade. May he rest in peace and may you both reach a sense of peace as you walk through this part of life. Celebrate Eddie on your way.

“ I am so sorry to hear about Ed. There's nothing anyone can say right now that will make you feel better, but, somehow, knowing others care does make the pain a bit more bearable. Know my thoughts and prayers are with you, Jean, and you, Jack, and the rest of the family at this trying time.
