“ Every person that mentions they had met Edith has commented on what a wonderful, loving person she was. I know her faith was strong. May more of us remember each person by name in prayer like she did every day. My heart aches for your loss, but I rejoice that Edith is no longer limited like she was on earth. God is holding her and singing over her with joy.

“ I would like to extend my heartfelt condolences to the family at the loss of your loved one. May God almighty, father of tender mercies and all comfort continue to comfort you all 2 Corinthians 1:3, 4. God has promised to completely remove death tears, mourning, outcry and pain Revelation 21:4. We all eagerly anticipate the fulfillment of this promise. The Bible also provides assurance of a real hope of reuniting with our dead loved ones again in the future John 5:28, 29. I pray that God will continue to strengthen you all.
