“ Sorry for your loss to all the family. Went to school with the Renz kids and were neighbors and stayed with the family ocassionaly and I remember Bertha and would try to go see her when I was in Bismarck. Had good times with the kids then.

“ *My condolences and sympathy go to the family and extended family of Gene. We were classmates at White School No. 1 between Moffit and Sterling during the late '40s and early '50s, and I can remember him and getting water for the school at his parents' farm across the road. Old memories are good memories.*
