“ Have known Eunice and Garry for many of years. Will miss our phone calls. Have missed seeing Eunice and Garry since they stopped trucking. Was glad we made it to ND and seen them both one week prior to Eunice passing. Jake, Amber, Hayden & Carson are also going to miss her. The boys had adopted her as Grandma since they moved to ND. She had to ask me if it was ok for them to call her Grandma and of course I told her it was. We love the family. It will be a very hard time for them for some time to come. They are in our thoughts and prayers.

“Eunice, I'm going to miss you a lot. Growing up, you were like a second mother to me. When ever we were down, you were always there to help us along. I remember spending many days at your place, and you treated me as if I was your son. You borrowed your car, when ours was down, you took us kids swimming and fishing, yo...u gave Tally a place to ... See Morestay when she was going to school in Bismarck, you helped to get me thru my Dads funeral , which I will never forget, and you always were there to help when someone needed it. You had a Heart of gold, and for all your kindness, I'm sure God will reward you. I thank you for all your kindness, and God, accept this angel to Heaven.
