“ Dear Family, We are so sorry about the death of you mother/grandmother. I have fond memories of visiting your family many years ago on the times we were on vacation in ND. You are in my prayers for healing in your sorrow but also sending blessings that she is now with your dad and is basking in the glory of our Heavenly Father. My parents are both gone and I love knowing that they are together and I love being able to 'talk to them' daily. My love to you, Carolyn Schlosser Snively
