“ So sorry for the family of Frank. I know just from reading his obituary that he was a true Maddock, with all he did for others. I have many happy memories of going to the Maddocks when we were kids and playing ball in the pasture, and stepping in you know what!!!!Prayers for the Maddock family

“ My thoughts and prayers are with you. I am Barb, Frankie's brother Bob's sister in law. I met Frankie many years ago. We were still youngsters, Mom and I went to visit Joyce and Bob and we went to the farm to visit the rest of Bob's family. I and the boys, Frank and Steve went outside to play and visit the farm animals. We wandered out into the hayfields. We talked about alot of things. Whatever Kids talk about. Frankie was a charmer like all of the Maddock boys - must have gotten it from their parents. He was a good guy and always nice to visit with. I didn't see him often, but he always had a smile for me. He's free of pain and at home with those that have left us. Again, I'm so sorry for your loss - May God be with you and help you through this time. He left you all kinds of memories - be sure to share them with all that loved him. God Bless.
