“ I am praying for you Jolene during this difficult time....I did not know Gary well, but enjoyed the time that we spent together when I was visiting, and I'm not sure that Jolene ever got over me helping you get started on Ebay. I will always remember your smile, your laugh, and you telling me that you didn't count the puzzle pieces! You will be missed so very much....

“ Gary was always so nice and kind. He was so funny and always had a joke to tell at work. He was truly a man to be proud of, so full of life and charm. May he rest in eternal peace with the best of them.
