“ Wendy and Tracy and families: I am so sorry to hear of your dad's passing and know that our prayers and thoughts are with you at this sad time. I have many great memories of your mom and dad and your family as we shared many times together in our earlier years in the Oil business and later when your dad worked for me on some pipeline projects. Sorry that I couldn't attend the funeral due to this winter storm but know that I am thinking of you and your families -

“ My brother Bob has said it best, I can only second his comments. Gary was always very special when we were growing up, as was Bonnie. We always looked forward to our summer trip to ND. What fun we had! And what great "Gary stories" we have. My thoughts and prayers are with his family.

“ So many memories of my growing up years include my cousin Gary, his sister, Bonnie, and my sister, Pat. It helped that our parents were best of friends. My mother and his father were sister and brother. As a military family we moved around the US but always had one constant in our life-- our summer trip to ND and time spent with Gary and Bonnie. It would take volumes to tell all of our "Gary stories." Our thoughts and prayers go out to his family. WELL DONE, GARY! BE THOU AT PEACE! Bob and Gale McConnell, Alexandria, Virginia
