“ Sorry to hear about your dad's passing. I shall always remember him as a "cool" guy and that had some definite meaning in our day. Spent a lot of time in your house watching those Saturday cartoons and playing games. I have fond memories of him and know that he was a big influence in your lives and touched lots of people.

“ What a great gentleman, as well as a great husband, and father. I will always remember George growing up in Mott. He always walked by our house daily, going home for lunch when he worked at Rixen's in Mott. He always stopped and talked to me. He always had time to stop and laugh, as well as listen. He cared a lot about people. He will greatly be missed. Garret Forsch
