“ It is very difficult to understand how such a kind, loving and gentle woman could have had a son Larry Schuler who is a pathologic liar, has committed adultery & currently Cheats on his wife, is a Cruel & Evil bully, a Narcissist, an abuser of women and of the less fortunate, grossly abuses His authority, believes He Is entitled & Privileged, and yet despite All Of This Evil, He Boasts that He Is A Christian. His Many Victims Find It Hard To Understand. Larry Has Deceived Many People Who Think He Is so nice. Larry Is Not Nice And The Lord Sees All Of The Terrible Evil He Has Done Now And In The Past. Larry Has Destroyed Many Innocent People To Obtain Money, PowerPrestige. We are Very Sorry For The Family, but Larry Is An Evil Man Who Has Caused Others To Suffer greatly.

“ I was sorry to learn that Gladys was ill and had passed to the greater glory in heaven. We often visited at Germans from Russia meetings and we had planned to visit together and view the Shuler family history as my mother-in-law had a Shuler cousin who had stood up with my in-laws when they married. I was curious to learn if they were indeed related. I believe that she also worked in the hot lunch program at Simle Junior High for many years where I was a teacher. She was such a friendly and pleasant lady. I share your loss. In sympathy and friendship.

“ To my Uncle Albert and cousins, May the Lord be with you during this time of loss. I am saddened by my Aunt's passing and I will miss her. Gladys and Albert were my Godparents and have a special place in my heart. I have many fond memories of visiting them at their farm when I was a little girl. Gladys was a very special aunt and I still have some of the craft items that Albert and Gladys made for me as my godparents. I know that she truly loved the Lord and is rejoicing that she is with Him now. Again, May the Lord be with you, Albert and my cousins, Karen, Glenda, Larry, Danny and Debbie. Blessings to you all. Love Sandra Fuhrman Felix

“ I have fond memories of visiting the farm when I was a little girl, especially during the holidays. Gladys loved to cook and take care of all of us kids. She laughed a lot, and enjoyed telling jokes. It was a blessing to have her as my auntie. We appreciated all she did for the family. She will be missed, but we can rejoice that we will reunite again in Heaven.

“ *Death for the Christ Follower is both an end and a beginning... opposites, just like the tears shed now are sprinkled with teardrops of sorrow and joy. Gladys was such a warm, kindhearted woman who has now begun her new life with much joy. I have so many fond memories of “hanging out” at the Schuler house with Deb. Gladys had such a natural way of making me and many others, I’m sure feel welcome and special. It was an infectious type of warmth similar to the comfort one feels snuggling up in a quilt on a cold winter night. As a family, your loss is huge, but Gladys’ gain, as a new resident of heaven, is gargantuan! May God wrap each of you in His arms and bring the peace and comfort you need. My prayers will continue to be with you.*
