“I want to share my condolences with the family for their loss. I knew Glen from the time I was 6. I was a year behind him in school and I remember Glen at Riverside School and Hughes Jr. High, and always looked up to him. He always watched the back of his friends even at a very early age. May he be at peace with the Lord.

“ I was saddened to hear about Glen. I remember when I was a kid riding my bike down the alley to Glen's house and hanging out with him and Gene, watching them work on cars, listening, trying to learn something. It was so long ago but it still seems like just yesterday. I will always remember Glen. RIP

“ My heart is heavy, I was not ready for this, I don't think anyone was. I feel as if I have lost a Brother. Glen, you will be missed by many. We had so many plans this year, and I will still try to do them. It is a great feeling to call you one of my best friends, we met in 1959 and I can not think of one time we were mad or upset with each other. Many people can not say that. My thoughts & prayers go out to Glen's children and extended family. I love you and miss you, Barney
