“Heather was a wonderful person and I will always remember the fun times we had laughing and joking around. It's always hard to lose someone you love and my heart goes out to each and every person who knew and loved her. Her presence will be missed by all. “*Jim, Paulette, Jimmy, boys, and family: Heather and I were always together all through high school. We went to proms together, played basketball for how many years together. The little things that just keep running through my head and all the great times we had together through high school and out of school. We shared alot of good times and bad, but will never forget the friendship we had and all the great memories we shared. Treasure everything you had with her. No one will ever take her place or even be close to taking her place. Always remind the boys of the everything she was and all the good she did for everybody in her life. I know that I will never forget her and all we shared in our life. Take care, you will always be in our prayers, and our family is right here if you ever need anything day or night. Love you all, Jim, Beth, Addyson, and Stetson McCone*

“*Heather will be terribly missed by so many that knew her. She was a great friend, a wonderful sports/team player, and a rebel of her own cause. I will always remember her spunkiness, her strong negotiating viewpoints, and her contribution to the Wing community. She was a leader, and she will never be forgotten. Gone too soon! May strength be with the family at this time.*

“ To Jim, the boys and both families, my deepest sympathy goes out to all of you. I didn't know Heather as well as most, but when she would come into the truck stop she would make the day better. Just talking to her for 5 minutes made the day fun. She will be missed by all.

“ *James & Paulette, Jim and boys, and family, I am so sorry about Heather. I hardly know what to say. It's hard to comprehend why God took Heather so soon. We were classmates as well as teammates. I will always remember our high school days and especially playing basketball with Heather. She was a great friend. She will be greatly missed by everyone who knew her. May God be with you now and comfort you with his love and care. May he wrap His compassionate arms around you during your time of grief. May you see His love and may He grant you peace. Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God. ~2 Corinthians 1:3-4 Please know you are in my thoughts and prayers. “ *I met Heather about 5 years ago while working at East Taco John's. She was an incredible woman. I loved her sense of humor. She would tease me from the beginning of the shift to the end of the shift. My thoughts and prayers go out to her family. She will be greatly missed.*

“ I first met Heather working at MC1 when we were both transporters. The crazy things we would get into at MC1!! Heather was always ready to have a good time, with a big smile. She would work evenings when all the "suits" were gone and we took advantage of that time. Even after we didn't work together anymore, I would run into her and we would laugh and roll our eyes about the things we did at work. We just picked up where we left off. She always kept me updated about her family, she was so proud. I will sure miss her, and my heart hurts for your loss. You are all in my prayers. Suzette

“ Heather always had a smile when I walked in to Taco Johns where I saw her for the last five years every Tuesday. She always had something positive to say. Especially when I was being treated for cancer. We sat for an hour and a half one day when I got my motorcycle. I will miss her conversations and bright sense of humor. There are people in this world that you never forget Heather is one of them. God be with her family at this most sorrowful time my prayers are with you. In her honor I will do a motorcycle ride in her name and it will be wonderful just like her, and some day we will see each other again.

“ My condolences go out to the entire family for the loss of Heather. I haven't seen Heather in years, but recently became in contact with her through Facebook. After reading many of these postings, I realized that she hasn't changed from high school & still has a bright bubbly smile on her face that could brighten up other people's days. I am originally from Robinson, and was able to play basketball with Heather the first year the girls BB was cooped as WTPR. She really made me feel welcomed on the team, and of course, was a lot of fun to play basketball with! Keep telling all of the great stories of Heather to those two beautiful boys!!!

“ Heather was truly one in a million. My prayers and thoughts go out to all of you during this time and in the days to come. May you find comfort in the memories you have. God bless you all. *HER JOURNEY'S JUST BEGUN* by Ellen Brenneman Don't think of her as gone away -her journey's just begun, life holds so many facets - this earth is only one. Just think of her as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how she must be wishing that we could know today how nothing but our sadness can really pass away. And think of her as living in the hearts of those she touched For nothing loved is ever lost -And she was loved so much.

“ Heather you will be dearly missed by many. My condolences to your family. I have such great memories of babysitting for you, and working with you. You were always such free spirit and always brought a smile to everyone who saw you. You had a wonderful personality that made people just want to be around you all the time. Things will not be the same in Wing community with out you, but I know you are in a better place now, and you are always walking beside the ones you love. Guiding them and making sure they are protected, and letting them know you are still there. Even if that means playing some jokes on them or tripping them along the way. Rest in peace and may you find some comfort in the arms of angel. Love you.
