“ Dear Becky and family, I wanted to let you know how truly sorry I was to read about the death of your mom. I want you to know how much I appreciated her. It was so great to have her watch Christopher and Chad while I was working. I knew they were in good hands. Your mom listened to my stories and always told me not to worry, that everything would work out. And she was right. She was a very gentle and kindhearted woman. I am grateful that I knew your mom.
