“ Laurie and Beau, my thoughts and heart are with you at this difficult time. My dear Uncle Jim, you have had your great reunion and can be at peace now. You were a mentor in my young life, you taught me how to pound a nail, how to drive "across a cow pasture when I was 4", the proper way to eat sun seeds, and many other things. Thank you from the bottom of my heart. Rest well and enjoy your friends and family who have gone before you. Keith
