

Jeanette Howe

November 7, 1954 - January 4, 2015

Jeanette Baumgartner Howe, 60, Bismarck, passed away January 4, 2015, with her husband by her side. Mass of Christian Burial will be held at 2:00 pm Thursday, January 8, 2015, at Church of St. Anne, Bismarck, with Rev. Corey Nelson officiating. Burial will be held at St. Mary's Cemetery, Bismarck. Visitation will be held from 4:00 pm – 8:00 pm Wednesday, January 7, 2015, at Parkway Funeral Service, 2330 Tyler Parkway, Bismarck, where a vigil/rosary service will begin at 7:00 pm. Visitation will continue one hour prior to the service at the church. Jeanette was born November 7, 1954, at Fort Riley, Kansas, to Victor and Lois Baumgartner. After Victor completed his military service the family settled in Braddock, ND. Jeanette was the second of seven children. Life growing up in a small town was good and Jeanette forged many lifelong friendships, bonds and a strong relationship with her church and God. Jeanette went on to attend North Dakota State University, in Fargo, ND. In Fargo was where she met her husband, Terry. They married on June 11, 1977. Jeanette had two children, Margaret and Nicholas. Her children were the lights of her life in each and every way. Jeanette found her passion for photography while still living in Fargo when she began working for Monarch Photo. Once Terry and Jeanette moved their family to Bismarck, Jeanette continued to work in photography at Bob's Photo. After a career of over 30 years working in the industry and several years of being a freelance photographer, Jeanette decided it was time to go into business for herself full-time. Jeanette enjoyed her photography immensely; both the art of capturing

people and the personal connections she made. Jeanette remained active in her church and community. She enjoyed meeting people and rarely left a new encounter without a new friend. Jeanette enjoyed spending time with family and friends and her kindness, compassion and desire to help others will be greatly missed. She is survived by her husband, Terry Howe, Bismarck; daughter, Margaret Howe; Mesa, AZ; son, Nicholas Howe, Bismarck; mother, Lois Baumgartner, Bismarck; brothers, Steve Baumgartner Sandra Humann, Bismarck, and Dean Baumgartner Seanna Ramsey, Braintree, MA; three sisters, Nancy Kane Steve Kane, Brooklyn Park, MN, Pam Danforth Ken Danforth Fort Collins, CO, and Heidi Holloway Andy Holloway Denver, CO; sister in-law, Sandra Jangula Baumgartner; mother in-law, Vera Howe, Renville, MN; and numerous aunts, uncles, cousins, nieces and nephews. “ Terry-It was a pleasure knowing Jeanette. I got to know the two of you many years ago while you and I were working at Bermans together. Even though we didn't maintain close contact, it was always a joy bumping into her throughout the years. She was a beautiful person with a happy spirit. May you be comforted now with all the memories the two of you shared. Cathy and Toby Schweitzer

“ Terry, Jeanette was instrumental in recording the lives of thousands of others through her photography, so she deeply understood how precious are our memories of her. Enjoy the special memories, especially those which are slightly blurry and difficult to focus on through the tears. They show how precious Jeanette was to we who know her. ~ Gary and Rhonda Grinaker

“ I am very sorry to hear of Jeanette's passing. I will always remember her beautiful smile. She took both my daughters senior pictures, Miranda's in 2002 & Melissa's in 2006. Plus she took many of my niece's & nephews also, for I always sent people her way. I just loved the way she treated everyone. Many times I would just call her on the spur of the moment and say would you have time to take the girls pictures for Christmas cards, and she always did. Jeanette was a very special person. She will be deeply missed by those who she touched. Rest in peace Dear Jeanette, until we see you again on the other side.

“ She knew me well. She felt my joy and my pain. We shared our worries, our plans and we often talked of memories growing up. Some laughs, some tears, sometimes sister competition but we were there for each other. Secrets shared between us sometimes stayed secrets -- but usually not. It was too much fun telling and watching the other one of us get in trouble. She loved to laugh and give gifts always trying to bring something for everyone. Her name became Auntie Spoiler because she loved to spoil those nieces and nephews, oh how she loved children and cherished her sweet Margaret and Nick. She loved to read, do crafts of any kind and her photography. Growing up, she loved to bake and usually had burn scars on her arms from carelessly reaching in the oven. She did the cooking, I did the cleaning. I never did learn to cook. I was lost when she left home and I had to prepare meals. Or was it because I just missed my big sister all around. She was one of the kindest most sensitive people I ever knew. I have many cards she sent - just because always encouraging me, letting me know she was there for me and sometimes even a wise crack but always signed -"love, big sis net." I am amazed how strong and determined she was and now she is done with the fight. Terry, thank you for taking care of her all this time and keeping us up to date on progress reports. We are always here for you. love and prayers nancy
