“ Joey was always the first person to get a hold of us at McQuades. He was always supportive of his teammates and my kids at the softball games. When Rick was hit with the softball at the Dickinson tournament a couple of years ago, Joey's voice was the first thing he heard "get the ambulance!" Joey was always upbeat and fun to be around. We will miss his laugh the most.

“ I have lost contact with Joey over the years. But I do want to take a minute to say that my thoughts and prayers go out to the Johnson family. I have known Carol and Paul for several years and also was close to Ray and Joey as we played endless hours of video games, baseball and football as kids in Mandan. I also went to school with his sister Kristina. I know it's been a long time as we all go different directions in our lives. But again the Johnson family have always and will always be my friends. And for Joey's new family my heart and prayers go out to you too. Joey was a great friend and will be greatly missed.
