“Joey or "barney" as I called him was a great guy. He had such pride in being a farmer, I can only imagine what his life must have been like. I spent as much time as I could talking to him about the farm and what it was like. He was very proud of his tractor, a red case IH. I will truly miss seeing him,

“Joey was a kind and gentle soul who now is in a better place. Although his brothers always included him in their "adventures". He was fortunate too to have a guardian angel looking out for him. That angel was his sister Eileen.
