He was the son of Harold and Marjorie Jorgenson Buth. After attending high school in Sioux City, IA, Larry enlisted in the Army for three years which included one year in Vietnam. After returning home, he became a journeyman carpenter and worked on many industrial worksites. He moved from Sioux City to Williston, ND, in 1977 and worked at Great Plains Supply building many homes there. He then changed careers and became involved in charitable gambling for several different Williston organizations. He spent many hours volunteering for the VFW in Williston. Moving to Bismarck in 2002, he enjoyed spending time with his family. He spent the last four years in Fargo doctoring with the VA Hospital. Larry loved to cook, bake, and read. He also loved listening to music and trying his hand at "house gardening" as well as sitting on the deck or patio just being with his family. His greatest joys in life were his family and "his" dog, Scruffy. His one regret was not having children of his own but thoroughly enjoyed his nephews and nieces as well as great-nieces and great-nephews. Larry will be deeply missed by those surviving him including two brothers, Wayne of Williston, and Jason and Karen Stulce of Palestine, TX; one sister and brother-in-law, Debra Bruce Magstadt of Bismarck; three nieces/nephews,
