“ Ah Mae, I'm going to miss our little chats as you'd sit in your doorway...from there you took in ev'rything...nothing was missed: I'll miss your hand waves from across the dining room, and watching your feet move to the music playing. You will be missed, Mae, but we'll see each other again...In The Sweet By and By. Don't look back...you've got it made where you are! You be there when Deb and I step inside the gates!
