“*Marion, You will be greatly missed! I remember when my folks first bought the cabin, my cousins and I would play under your dock for hours on end, catching minnows. You and Joe were always so good to us, and welcomed us to "the neighborhood." The Lake has not been the same without Joe. This leaves an even bigger void for us lake folk. I will miss seeing your front yard light burning on those summer evenings. You will always be in our hearts and memories.*
