“ To the family of Tillie: Tillie was my next door neighbor until she moved to Hettinger. She kept a close eye on my garden and always let me know when the first tomato or zucchini was ready to be picked. We shared good conversations in her kitchen and my backyard and she never failed to share baked goods and things she had prepared with the produce from my garden. Thanks for all the wonderful memories Tillie. May you rest in peace.

“ We sure enjoyed Tillie she was fun and loved to have company. She will be greatly missed here at work as she always had someone go out for a smoke with her and loved to get her nails done on those trips to Dickinson. You are in my thoughts and prayers and I will miss her very much.
