“ *I was sorry to hear about Aunt Milda's passing. I was out of state, and was unable to make it back in time to attend the funeral. Aunt Milda meant a lot to me. With all of the hours that I spent at your house, she became almost a second mother to me! She always treated me with kindness! I have a lot of fond memories of your mother and I will cherish them forever. God bless you in this time of sorrow. I hope to see you sometime!*
