“Wow. Nancy was my oldest son's Jim Perleberg first babysitter. He was a difficult baby, and no one wanted him. Out of the blue, Nancy volunteered. He and Nancy bonded. She rocked and held him we called him Jimmy then for many, many hours. After Nancy left Jamestown, we lost track of her. I was saddened to hear of her passing, and my thoughts and prayers go out to her family.

“My deepest sympathy goes out to Teri, Kevin, Brandi, Alex, Dadoda Bear, and Colene. Nancy was a kind woman who touched her family's life in an amazing way. Although it is hard to see her gone, please remember to share the memories of her with each other and to keep that smile on your face when you think of her. I remember years ago when Sunrise was still open, Brandi and I went over to give her weekly habits to her and we were visiting and she all of a sudden remembered that she forgot to give Brandi a birthday present. So she rummaged through her drawers and came up with a beautiful hand mirror and an embroidered handkerchief. She gave Brandi the mirror and me the handkerchief because she was sure she missed my birthday as well. She was just so sweet and kind-hearted I could never give her enough hugs! I'm so sorry for your loss, I know it's hard to lose such a great person.

“ Will always remember Nancy. Her Smile, her pretty hair which she enjoyed being breaded and decorated. She always had a smile when she could hold a puppy. I will always remember her "tap dancing" for us. She enjoyed her family coming to see her brought smiles to her face. She enjoyed getting mail from family, and would often show the cards, and let us read it. Will always remember this special person. May God grant you comfort and peace. It is always hard to loss a family member.

“ Nancy's family - I enjoyed getting to know Nancy as a Resident of Gackle Care Center. She was a joy to visit with and had a big smile when she saw you coming down the halls. She loved to dance and we would do a few steps together. The smile she had for a can of pop and chocolate candy. When I gave her a kiss on the cheek, she would just smile and get all giggly. Cherish the memories of your Mom - she was a special person.
