“ Dear Willie and family, We are so sorry to hear of your loss. I have many fond memories of Nancy and our many times together, not only at work, but other outings as well. She had many health issues that she dealt with over and over again. But I will always remember that through it all, Nancy always had a strong spirit and a smile. She once gave me a "worry rock" and I still have it. I guess we both understood the importance of good health. She loved her family and was so very proud of all of you. May God Bless you and the memory of Nancy.

“ Dearest Fetch Family, My heart breaks tonight as I just learned of your wife, mother, and grandmother's death. Hugs for each one of you! I have been blessed and honored for so many years to be called # 8 at your house. Mom and Dad Fetch have always opened their hearts to me, and now Tim and Daniela each time we knock on the door! We are so fortunate to have shared in Mom's love. Thank you for sharing your beautiful mom and 'blue house of family and love"! The boat rides will also be a treasure. I'm so grateful for the good memories across the years and the great conversations I've had with Mom in recent years! In each visit, I heard stories about each kid and the grands, she was truly proud of each of you and your accomplishments. To each of my siblings some of you I knew better than others, especially Conni, please know that Tim and I are so sorry for and share in your loss. God's peace be with you! And Dad, we'll be stopping in when we're in Bismarck for a visit! With Great Respect and Love, Joni #8 and Family
