“ *My condolences on the loss of your dad. We may wonder why? or if there is anything to look forward to? Jesus well knew the Bible statement: "Time and unforeseen occurrence befall them Ecclesiastes 9:11. He knew that sometimes bad things just happen. The Bible teaches us about the wonderful future resurrection hope is the promise found at John 5:28,29. Revelation 21:3,4 states that in the future 'death will be no more. and pain will be no more, the former things will have passed away.' Our Creator, Jehovah God, by means of his son Jesus, is going to undo the tragedies that touch our lives today and we will be able to welcome back onto the paradise earth, our loved ones who have fallen asleep in death. There is a wonderful website jw.org where you can find much Bible-based comfort and the answers to life's big questions .sincerely dianne mullins*

“ I am still at a loss for words since waking up to a text from Emily telling me about her fathers passing. I will never forget how kind hearted and accepting Pat was and how he welcomed me into his home with open arms. Through Pat I learned that the love a father gives to his children is such a precious and beautiful thing. I am deeply saddened by his passing and wish his family and loved ones my sincerest condolences at this difficult time.
