“ Love Eternal In death there is beauty We sleep like angels With the tranquility of innocence Death will not conquer our love As we are bounded by memories And our love will flourish Death is our sadness For I will long for your flesh But our journeys will not be far apart Death is our sanctuary from the woes of life In death we find peace Death brings unwavering hope For the time of resurrection In death we find love eternal.

“ Sorry to hear of the passing of Ramdy. He is a classmate of mine. The last time I saw him was in 2011 at the all school reunion in Tuttle. The class of 1974 posed for a picture on the bleachers. Randy and I had a great visit, when we parted ways one always look forward to the next time we would see each other. Know that he will be missed by the class of 74. God Bless your memories of Randy.
