“ *Hi Grandpa Bob, I was just thinking of you more than usual since last weekend when we spread your ashes at Beaver Bay on the Missouri River and I happened to come across your picture on Google while searching my own name just for fun, funny how that is! I miss you greatly Gpa! You were one of the greatest people I've ever known. You were wise in so many things you always had great advice for everything. I know when old age approaches these things come, but it seemed like you would be around forever. I miss coming to Steele so much, especially when I was younger and getting to go to the John Deere shop while you were working and you'd get me a pop out of the super old Coca-Cola machine and I could watch you all work, and help out at times. I wish we could have spent more time together and done some fishing more together, but we can do that when I meet you and God up there and we'll go snag some walleyes for supper! I miss you so much Gpa, words can't express how much I miss you. I miss and love you greatly! Love, Jeremy Jeremy Stolz - Grandson of Bob, son of Tim*

“ Aunt Tiny and family, was sad to hear about our Uncle Bob,he was a good Uncle and many of my memories of our time in Lehr are of sundays and visits with the aunts and uncles and our many cousins.Never thought I'd get out of that town soon enough as I was growing up and now lam always wanting to get back there and can't. Strange how life turns out.Some of my best memories are now of the life we had, when things were a little simpler and life was easier to understand.You are in our thoughts and prayers now and have been often in the past. we will cherish our memories always. with love, Tari and Family.

“ Aunt Lucy and Family, I am thinking of you all during this time. I look at Uncle Bob's picture and see Uncle Ted and Dad in him and it makes me smile. Those boys looked so much alike as they got older. So many memories...may God bless you and hold you up at this time. My prayers are with you all and while the service is going on I will take some time in our chapel here at work to have some quiet time to pray for you all. Much love, Julie
