“ Ruby was a very kind hearted lady. I have known her for many years and somehow we lost track of each other. I was married to her step son. Even after we divorced she remained to be part of mine and my girls lives. We will be ever so grateful for her love and kindness she shared with us. Rest in peace Ruby....we love and miss you. “ Her sister Beverly was my sister-in-law. What a gagel of sisters, all alike, very happy, kind, never saying anything bad about anybody. All hard workers, good wives, great mothers, and grand mothers. Go in peace Ruby, hope there is a casino in heaven,so Beverly and your other siblings can laugh and have a good time just like you all use to do. Rest in Peace. You will be missed by all who new you.
