“ Harold and Family, I was so sorry to hear of Sheila's death. I remember all the good times we had when we both worked at The Red Carpet Lounge all those many years ago. I used to see Sheila walk in the Mall and would say "hi" and visit a little bit. I lost my husband Tim a few weeks ago, and it'll be the hardest thing you ever have to go through, but remember she is in a better place now, and one day you will be together again. Take care.

“ Whenever I think of Aunt Sheila I think of the lyrics to Billy Ray Cyrus's Achy Breaky Heart, "You can tell the world you never was my girl.You can burn my clothes when I'm gone....." She used to play that song every morning when we vacationed in ND when I was 6. Remembering the good times will help you get through the difficult times of losing someone you care about, and I know that everyone has good memories of Aunt Sheila. I hope everyone is doing well. Our thought and prayers are with you.

“ Sheila, was always a person with a smile on her face, when she saw me. She would always say that you are the good looking one. would also call me smiley, because she could never remember my name. No more pain no more sorrow.

“ I just want to send you my love and prayers. Wish I could be there to give you all a big squeeze. I am so grateful for being able to see Sheila recently. I forever think of her silly comments and will miss being called a little bag or brat by my auntie! I pray for healing for you all and know she is up there dancing with Jesus! Take care and be strong. Love Heather

“ Our thoughts and prayers are with all of you. We will always have great memories of Sheila sharing our wonderful grandchildren with her. She loved them so much and when I went to visit her at the nursing home, she made me arrange their pictures so she could see them better. I also enjoyed taking her to play bingo at the home the last few weeks of her life. Harold, take care and we'll see you in the next few days. We love all of you. Love, Chuck and Margo

“ Auntie Sheila was always one of our favorites, She was so happy Go lucky and down to earth you could give her shit and she would give it right back. One of our funniest memories was when porky got a tic tac stuck in his ear. Sheila was so mad and scared at the same time, beating on the side of porkys head thinking maybe it would pop out. We still crack up evert time we think about it. If you want more info on this story ask porky! please know you are all in our thoughts & prayers and we wish we all could be there.
