“*Saralee and Family, We are so sorry for your loss. Sid was a wonderful friend to our family and we have many fond memories from the Lake Tschida days. His enthusiasm and glee when he plunged into the cool morning lake for his swim, his playfulness with the children, and his kind smile are just a few of the wonderful attributes that Sid shared with us. May you find peace and comfort knowing we remember and care very much. Sincerely, Stephanie Reidy & Aimee & Jimmy*

“*My condolences to the family. My dad, Tony Pfau, met Mr. Sloven when he owned Mandan Plumbing and Heating. He always spoke very highly of Mr. Sloven and considered him a good friend. He always said if it wasn't for Mr. Sloven he wouldn't have survived when he started his plumbing shop. Mr. Sloven granted him credit at Western Steel when the prudent thing would have been not to. My dad introduced me to Mr. Sloven when I was young and I remember how friendly he was. One memory I still have is of attending the Bar Mitzvah of one of Mr. Sloven's children, but I don't remember which as I was fairly young. My dad died almost 22 years ago but for him and our family I would like to say "thank you" to Mr. Sloven and to his family.*
