“ Family of Stacy, We are so sorry for the great loss of Stacy. She was a dear to me, a big Sister to Heather. She gave Heather many pointers in life and to live it to the fullest. She was such a joy to work with and she gave so much to the Residents of SVCC. Her smile was so infectious and her laughter, I will never forget. We will keep you in our prayers and I know that Ralph and Violet were so glad to see her and they will now always keep you in their eyes and hearts.

“ I remember meeting Stacy in junior high and was struck by what a strong character she had: something I'm sure has served her and her loved ones well. Even though it has been approximately two decades since we got in mischief together, the memories makes me smile, which helps counteract the sadness about her much too early death. Her wicked sense of humour and fun combined with her enthusiasm will never be matched. Stacy will be very missed. For what comfort it may provide, please know you are in my thoughts and prayers.
