“ I'm very sorry to hear about your Mom. I read her obituary in The Dickinson Press. I knew Sue when I worked at Perkins Restuarant many years ago. She was a very nice and kind person. She was always fun to visit with and always had a smile. May she rest in peace.

“ Sue, we're still finding it hard to believe you are gone. We are thankful we were able to see you those last few times & were able to let you know how much we love you & that we were praying for you. We didn't know how soon you would be gone. You were truly a treasured friend & we're going to miss your hugs, smiles & the warmth you always gave to the people around you. You went through so much these last couple of years, but for those of us who truly knew you, you tried to maintain a positive attitude & a hope that things would improve. Your attitude through very difficult circumstances was an inspiration to us. We won't forget you, dear friend, but will remember all the times we were able to share together. Much love to you Sue!! Our thoughts & prayers are with the family. Peg & Marv Gaub
