

Suzy Volk

June 17, 1924 - December 13, 2014

Suzy Volk, lifelong and proud resident of Bismarck, died peacefully in her sleep at home, as she would have wished, on Saturday, Dec. 13, 2014, at age 90. She spent her last evening driving around looking at the Christmas lights and had pizza and beer with her daughter, Greta. A celebration of her life will be held later, when she won't have to worry about her friends slipping on the ice. In addition to Greta, she is survived by her children, Charlie, Nina and Willy.

“ Charlie, So sorry to hear of your mother's passing. She was a great mother and as you may recall, sold out house and 5th and arranged for our purchase of our home on Avenue A. Please give Greta, Nina and Willy a hug and know your mother is in our prayers. Bill
